Computer abuse and network security are significant problems at Penn State and elsewhere. You are expected to exercise responsible, ethical behavior when using the University's and the CCGB's computers, information, networks, and resources. You must comply with all applicable University policies and State and Federal laws. Copies of University Policies AD-20 (Computer and Network Security) and AD-23 (Use of Institutional Data), and University Administrative Guidelines ADG-1 (Glossary of Computer Data and System Terminology) and ADG-2 (Computer Facility Security Guideline) are available online at <http://guru.psu.edu/policies/> for your review.

Violation of any provisions of these policies may result in (i) a limitation on a user's access to some or all University systems, (ii) the initiation of legal action by the University, (iii) the requirement of the violator to provide restitution for any improper use of service, and (iv) disciplinary sanctions, which may include dismissal.

I agree to abide by all applicable University policies as described above.
